

APPENDIX C – PRO-FORMA REQUEST FOR COSTING AN ELECTION COMMITMENT¹

| Name of policy | Manufacturing Modernisation Fund |
|--|--|
| Person requesting costing (Prime Minister/Leader of the Opposition/Leader of a minority party): | Prime Minister |
| Date of public release of policy: | 6 May 2019 |
| Date of request to cost the policy: | 9 May 2019 |
| Summary of policy (please attach copies of relevant policy documents): | <p>The Coalition will invest \$50 million to create the Manufacturing Modernisation Fund.</p> <p>The grant program would support small and medium Australian manufacturing businesses and include:</p> <ul style="list-style-type: none"> - \$20 million for small scale grants of between \$50,000 to \$100,000, with industry to invest \$1 for every \$1 from government to support technology and efficiency improvements - \$30 million for large scale grants up to \$1 million, with industry to invest \$3 for every \$1 from government to support more transformative investments in technologies and processes. |
| Intention of policy: | To increase the competitiveness of Australian manufacturing businesses and ensure manufacturing jobs. |
| Certification that this, or a substantially similar costing request, has not been submitted to the Parliamentary Budget Office | This, or a substantially similar costing request, has not been submitted to the Parliamentary Budget Office |

¹ An electronic version of this pro-forma can be found at www.electioncostings.gov.au/templates.

Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request)

What are the key assumptions that have been made in the policy including:

| | |
|---|---|
| Is the policy part of a package? If yes, list and outline components and interactions with proposed or existing policies. | No |
| Where relevant, is funding for the policy to be demand driven or a capped amount? | Capped |
| Will third parties (for instance the States/Territories) have a role in funding or delivering the policy? If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged? | Yes The grant program is a 1:1 and 3:1 industry matched program for small and large scale grants respectively. |
| Are there associated savings, offsets or expenses? If yes, please provide details. | No |

Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request)

**What are the key assumptions that have been made in the policy including:
(continued)**

| | |
|---|---|
| Does the policy relate to a previous budget measure? If yes, which measure? | No. |
| If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the program? Will funding/cost require indexation? If yes, list factors used. | Not applicable |
| What are the estimated costs each year? Are these provided on a cash or fiscal basis? | \$10.0 million in 2019-20 \$20.0 million in 2020-21 \$20.0 million in 2021-22 Cash basis |
| Are the revenue and/or expense costs likely to be significantly different beyond the forward estimates period? If yes, why? | No |

| | |
|---|--|
| <p>What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?</p> | <p>Not applicable</p> |
| <p>Has the policy been costed by a third party? If yes, can you provide a copy of this costing and its assumptions?</p> | <p>No</p> |
| <p>What is the expected community impact of the policy? How many people or businesses will be affected by the policy? What is the likely take up? What is the basis for these impact assessments/assumptions?</p> | <p>This measure is expected to have a positive impact on the community through increasing the competitiveness of Australian manufacturing businesses and ensuring manufacturing jobs.</p> <p>It is estimated 250 businesses will benefit from small-scale grants based on an average grant of \$75,000.</p> <p>It is estimated 100 businesses will benefit from large-scale grants based on an average grant of \$300,000.</p> |
| <p>NOTE: it will be up to the professional judgment of the relevant Secretary as to whether these assumptions are adopted in a Treasury or Finance costing of the policy.</p> | |

| Administration of policy | |
|---|---|
| Who will administer the policy (for example, Australian Government entity, the States, non-government organisation, etc.)? | Department of Industry, Innovation and Science |
| Should departmental expenses associated with this policy be included in this costing? If no, will the Australian Government Entity be expected to absorb expenses associated with this policy? If yes, please specify the key assumptions, including whether departmental costs are expected with respect to program management (by policy agencies) and additional transactions/processing (by service delivery agencies). | No Department of Industry, Innovation and Science to absorb any associated departmental operating or capital expenses. |
| Intended date of implementation. | 1 July 2019 |
| Are there transitional arrangements associated with policy implementation? | No |
| Will the policy be ongoing or terminating*? | Terminating |
| If terminating: What is the intended date of termination? Are there any transitional arrangements associated with the conclusion of the policy? | 30 June 2022 |
| List major data sources utilised to develop policy (for example, ABS cat. no. 3201.0). | Not applicable |
| Are there any other assumptions that need to be considered? | No |

* Ongoing policies continue indefinitely (until a decision is made to cease or alter the program). Terminating measures end on a date set out in the initial policy and a further decision is required to continue the program beyond this date.
