Intention of policy:	To ban the sale of cosmetic products tested on animals.
Certification that this, or a substantially similar costing request, has not been submitted to the Parliamentary Budget Office	This policy has not been submitted to the PBO.
<p><b>Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request)</b></p> <p><b>What are the key assumptions that have been made in the policy including:</b></p>	
Is the policy part of a package? If yes, list and outline components and interactions with proposed or existing policies.	No.
Where relevant, is funding for the policy to be demand driven or a capped amount?	N/A
Will third parties (for instance the States/Territories) have a role in funding or delivering the policy? If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged?	No.
Are there associated savings, offsets or expenses?	No.

<sup>1</sup> An electronic version of this pro-forma can be found at [www.electioncostings.gov.au/templates](http://www.electioncostings.gov.au/templates).

If yes, please provide details.	
<p><b>Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request)</b></p> <p><b>What are the key assumptions that have been made in the policy including: (continued)</b></p>	
<p>Does the policy relate to a previous budget measure?</p> <p>If yes, which measure?</p>	No.
<p>If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the programme? Will funding/cost require indexation?</p> <p>If yes, list factors used.</p>	N/A
<p>What are the estimated costs each year? Are these provided on a cash or fiscal basis?</p>	This is a regulatory change and will not have a financial impact.
<p>What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?</p>	N/A
<p>Has the policy been costed by a third party?</p> <p>If yes, can you provide a copy of this costing and its assumptions?</p>	No.
<p>What is the expected community impact of the policy?</p> <p>How many people will be affected by the policy?</p> <p>What is the likely take up?</p> <p>What is the basis for these impact assessments/assumptions?</p>	The impact on the community is expected to be positive, as the testing of cosmetic products on animals is considered to be unethical, unnecessary and of highly questionable value.
<p><b>NOTE:</b> it will be up to the professional judgment of the relevant Secretary as to whether these assumptions are adopted in a Treasury or Finance costing of the policy.</p>	

<b>Administration of policy</b>	
Who will administer the policy (for example, Australian Government entity, the States, non-government organisation, etc)?	The Department of Health.
Should departmental expenses associated with this policy be included in this costing? If no, will the Department be expected to absorb expenses associated with this policy? If yes, please specify the key assumptions, including whether departmental costs are expected with respect to programme management (by policy agencies) and additional transactions/processing (by service delivery agencies).	N/A.
Intended date of implementation.	1 July 2017.
Intended duration of policy.	The policy is ongoing.
Are there transitional arrangements associated with policy implementation?	No.
List major data sources utilised to develop policy (for example, ABS cat. no. 3201.0).	N/A.
Are there any other assumptions that need to be considered?	No.
