Date of request to cost the policy:	17/6/2016
Summary of policy (please attach copies of relevant policy documents):	This policy launches the second pilot of the Springboard Project, an innovative programme which provides training, job experience and mentoring to prepare participants for employment, while also addressing demand for aged care and community service workers.
Intention of policy:	To support more women into work in the community and aged care sector in South Australia.
Certification that this, or a substantially similar costing request, has not been submitted to the Parliamentary Budget Office	This policy has not been submitted to the PBO.
Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request) What are the key assumptions that have been made in the policy including:	
Is the policy part of a package? If yes, list and outline components and interactions with proposed or existing policies.	No.
Where relevant, is funding for the policy to be demand driven or a capped amount?	Capped.
Will third parties (for instance the States/Territories) have a role in funding or delivering the policy? If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged?	The policy is in collaboration with Uniting Care Australia.
Are there associated savings, offsets or expenses? If yes, please provide details.	The cost of this policy is to be met within existing Department of Employment resources.

Description of policy (please note that, where the request to cost a proposal differs from the announced policy, the costing will be on the basis of information provided in the costing request)

What are the key assumptions that have been made in the policy including:

(continued)

<p>Does the policy relate to a previous budget measure? If yes, which measure?</p>	<p>No.</p>
<p>If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the programme? Will funding/cost require indexation? If yes, list factors used.</p>	<p>N/A</p>
<p>What are the estimated costs each year? Are these provided on a cash or fiscal basis?</p>	<p>The cost of the policy is expected to be \$10 million over the forward estimates and will be met within existing resources of the Department of Employment.</p>
<p>What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?</p>	<p>N/A</p>
<p>Has the policy been costed by a third party? If yes, can you provide a copy of this costing and its assumptions?</p>	<p>No.</p>
<p>What is the expected community impact of the policy? How many people will be affected by the policy? What is the likely take up? What is the basis for these impact assessments/assumptions?</p>	<p>The policy is expected to have a positive impact on the community, as it will support employment in South Australia while addressing demand for aged care and community service workers.</p>

NOTE: it will be up to the professional judgment of the relevant Secretary as to whether these assumptions are adopted in a Treasury or Finance costing of the policy.
